Bethesda House

A faith based home for young pregnant or parenting moms and their babies.

Dear Friends,

So many exciting things happening at Bethesda House. One of the first moms that came to BH back in November is finishing her first semester of college courses. She will start summer courses up shortly after that. Her adorable 8-month-old son is thriving. Another mom that has been with us since January is working intensely on her massage therapy certificate and her delightful 6-month-old baby girl has adapted wonderfully. Our youngest mom is working while she waits to start her college courses in September and is doing a fantastic job balancing life with a playful 13-month-old little guy. Then we have our newest mom who just gave birth to a beautiful, healthy baby girl. We currently have one bed available.

Our first annual gala/silent auction was held on March 11. It was an enormous success and lots of fun. Three of the moms shared their testimony, the food was delicious and great auction items were won. Thank you to all who attended and contributed to the evening in one way or another. We are looking to purchase an 8 to 12 passenger van in the near future. As you can see in the update on the moms, our need for help with transportation has grown immensely. If you can offer any help in this area, please contact Jennifer Adams at haggaihouse@comcast.net.

For HIS glory,
Missy Porter
Co-founder/Director

Our mission is to provide a temporary home that is safe and nurturing for young mothers (either pregnant or parenting their child). The basis of our home will be built on God's love and how life can be transformed through a relationship with Jesus.
