Bethesda House

A faith based home for young pregnant or parenting moms and their babies.

Dear Friends,

Our doors are open!! We are ready. We are now accepting applications for young women (18-25) to apply for a Residential Scholarship. A Residential Scholarship is a stay at Bethesda House (BH) for up to 2 years sponsored by local churches and individuals within the community. While staying at BH, mom is linked to educational programming and assisted in accessing benefits to aid in the support of mom and baby. Basic life skills (parenting, budgeting, etc.) and Bible studies are taught as well. All of this is encompassed in Biblical teaching. We have several volunteers trained and ready to serve in many different capacities.....Mentors, Evening Care, Transportation, Teaching, Tutoring, Lactation Consultant, etc. The application is online and may be submitted electronically or printed off and mailed. Thank you first and foremost to our Heavenly Father but also to all who have given so much to make Bethesda House a reality. We wish you all a Happy Thanksgiving and a MERRY CHRISTMAS!

For HIS glory,
Missy Porter
Co-founder/Director

Our mission is to provide a temporary home that is safe and nurturing for young mothers (either pregnant or parenting their first child). The basis of our home will be built on God's love and how life can be transformed through a relationship with Jesus.
